WAIVER AND PLEA

The Defendant pleads guilty to

the offense of _____

and waives his right to be tried only by indictment or pre-sentiment preferred by a Grand Jury, and likewise waives trial by a jury of his peers.

Defendant states that he has been advised and understands the following:

1. The right to plead not guilty;
 2. The right to jury trial;
 3. The right to confront and cross-examine the witnesses against him;
 4. The right not to be compelled to incriminate himself;
 5. The right to indictment;
 6. The nature of the charge(s) against him;
 7. The possible defenses to said charge(s);
 8. The minimum punishment for said charge(s);
 9. The maximum punishment for said charge(s);
 10. That prior convictions may be considered in determining his sentence;
 11. The fact that no trial will follow this plea but only sentencing;
 12. The fact that it is perjury to falsely answer questions by the Judge while under oath;
 13. The fact that there must be facts to support the plea;
 14. The fact that this conviction will be used in the future to increase punishment for subsequent offenses and in DUI, 2nd DUI sentence is a fine of \$600 to \$3,500 and 45 days to 11 months 29 days; 3rd DUI is a fine of \$1,100 to \$10,000, 120 days to 11 months 29 days. A fourth or subsequent conviction for driving under the influence is a Class E Felony and there shall be imposed a fine of not less than \$3,000 nor more than \$15,000, one to six (6) years with confinement of not less than one hundred fifty (150) days, and you shall be prohibited from driving a vehicle for a period of five (5) years. A conviction for driving while impaired counts for all purposes as a conviction for DUI.
- Further, defendant states that he is guilty of the charge(s) because the facts which he knows to exist equal the elements of the charge(s). Defendant therefore states that there is a factual basis for his plea. Defendant states that he is pleading guilty freely and voluntarily and has been advised that the Judge is required to interrogate the defendant personally. Defendant having been fully advised of this requirement does now freely and voluntarily waive said interrogation of the above rights and petitions the Court to accept his plea of guilty without said interrogation.

ORDER OF ACCEPTING PLEA OF GUILTY

After reviewing the petition set out herein, the Court did then interrogate the defendant personally.

Further, the Court did interrogate the defendant as to the intelligent and voluntary waiver of rights.

Based upon this personal interrogation the Court concluded that the defendant understands the nature of the charges against him and the rights which he is giving up by this guilty plea.

Therefore, the Court concludes that there is a factual basis for the defendant's plea of guilty and the defendant's plea is being entered freely, knowledgeably, and voluntarily after fully, knowledgeably and voluntarily waiving the above set out rights.

Finally, the Court accepts the defendant's plea of guilty.

IT IS, THEREFORE, ORDERED, ADJUDGED AND DECREED that the defendant's plea of guilty heretofore entered by and is hereby accepted by the Court.
